INVESTOR PRESENTATION
August 2026

This presentation and the accompanying slides (the “Presentation”), has been prepared by Uno Minda Limited (the “Company”), solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the auto ancillary industry in India and world-wide, competition, the company’s ability to successfully implement its strategy, the Company’s future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company’s market preferences and its exposure to market risks, as well as other risks. The Company’s actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

INDUSTRY HIGHLIGHTS FOR Q1 FY27

Industry Growth momentum Continues

PV posted 17 % YoY growth led by UVs
2W Growth at 23% YoY, exports grew by 37%

EV Penetration increases

Q1 FY27 EV registration surged over 50% YoY
e-PV Penetration increased to 6.8% vs 4.2% YoY
e-2W Penetration increased to 9.2% vs 6.2% YoY

Delhi government's EV policy 2.0

Tax relief and incentives on scrapping ICE vehicles
No new 2W registrations of petrol and CNG category from April 2028
Aggregators to transition by April 2030.

West Asia Conflict

Supply chains pressure,
Elevated crude oil prices resulting in Global inflation and moderating growth outlook owing to conflict in West Asia.

KEY OPERATIONAL HIGHLIGHTS FOR Q1 FY27

Enters Passenger Vehicle Seating business

Secured anchor customer order
To Sept plant in CSN with capex of Rs 320 Cr
Expected SOP Q4FY28

Sunroof : Added New customer, order book cross Rs 500 Cr

Secured order from new customer for Sunroof
Additional order for Electric roller shades

New strategic customer addition for 4W Lamps in India and Indonesia

Added new global OEM for domestic supply in India
Secured more orders and added Second customer in Indonesia

Record sales for EV Systems

Revenues grew by 130% YoY to Rs 186 Cr
e-2W Charger- Supplies to new customer, increase SOB with existing customers

Impressive Export growth in Seating and 2W Switch

Exports crosses Rs 200 Cr for the quarter
2W Switch export grew to Rs 95 Cr
Seating exports increase to Rs 72 Cr

FINANCIAL INFORMATION & RECENT UPDATES

KEY FINANCIAL HIGHLIGHTS FOR Q1 FY27

Group Revenues (Including JVs and Associates) (Unaudited) higher by 21% Y-o-Y

Rs 6,896 Cr

for the quarter

EBITDA higher by 21% Y-o-Y to

Rs 572 Cr

for the quarter

PAT (UML share excluding exceptional items) increased by 24% on Y-o-Y basis

Rs 296 Cr

for the quarter

Consolidated Revenues increased by 26% Y-o-Y to

Rs 5,557 Cr

for the quarter

EBITDA margin at

at 10.3%

for the quarter

VALUES

Customer is Supreme

Live Quality

Respect for Individual

Respect for
Work-place Ethics

Encourage Creativity and Innovation to drive people, process & products

Uno Minda Limited is one of the leading manufacturers and suppliers of auto components and systems with leadership across key product segments.

The company has a well diversified product portfolio with marquee clientele, both globally and domestically

Diversified across product divisions (Acoustics, Switches, Castings, Lighting and others), segments (4Ws & 2Ws) and geographies (International & Domestic) and channels (replacement & OEM)

Product portfolio is well insulated from any foreseeable market disruptions, with an ICE-EV agnostic product portfolio and constantly increasing kit value, leading to higher wallet share with OEMs

The company has been steadily growing its global presence through sustained capacity additions and channel expansions

Strong R&D focus and infrastructure helps in in-house product development and localization of products

Track record of robust financial performance and delivering strong shareholder returns, supported by reputed promoters with rich experience and backed by professional management team
