Capacity Expansion of Four-Wheel Alloy Wheel Business

The Board has approved the setting up of a greenfield four-wheeler alloy wheel manufacturing facility with a capacity of 1.8 million Wheels per annum comprising of mix of Gravity Die Casting (GDC) technology and Low Pressure Die Casting (LPDC) technology wheels. The project entails fresh capital expenditure of ₹764 crore, to be deployed in a phased manner over the next four years.

Earnings Release

The new plant will meaningfully expand our LPDC-based alloy wheel manufacturing capability, strengthening our position with OEMs who prefers LPDC technology and hence enabling us to further grow our market share in this segment.

Mr. Ravi Mehra, Managing Director, Uno Minda Group says; *“The operating environment remains constructive, supported by sustained demand momentum following GST rationalisation, a policy-supportive Union Budget, and evolving global trade and FTA developments. These shifts strengthen India’s position as a competitive manufacturing and export hub. At Uno Minda, we are aligning our strategy to these tailwinds through targeted investments in advanced technologies, localisation, and scalable manufacturing capacities. Our focus on safety, premiumisation, and electrification is steadily increasing content per vehicle and strengthening our positioning across both domestic and global platforms. As we execute our expansion pipeline, we remain committed to building a technology-led, globally competitive organisation that delivers sustainable growth and long-term value creation.”*

Sunil Bohra, CFO, Uno Minda Group says, *“We delivered another quarter of healthy growth, with revenues supported by strong momentum across multiple product segments including Switching, Lighting, Casting, Seating and emerging technology businesses such as EV Systems, Sensors, and ADAS. The broad-based nature of this growth reflects the strength of our diversified portfolio and execution capabilities. As we continue to pursue multiple growth opportunities through capacity expansion, new product programs, and deeper customer engagement, our focus remains on disciplined execution and capturing opportunities across both domestic and global markets.”*
